FALL

FOOTBALL

1892-93

Quarterback Joe Johnson, on a roll! Alan Plummer, thinking it over

The 1-8 season of 85-86 was not a success if you count wins as success. But if determination counts, then our football team was a winner. They stayed with it and kept on trying and practicing throughout the whole season and never quit.

We earned the game we won at Davis and the fans who went got their reward for supporting the team so well throughout the season. Both the North Central and Pasco games were in reach but we just did not have enough time to do it. The talent was there and four players chosen to play in the All-league game. Unfortunately, a winning season did not come together but when a team like North Central says that we played too physical for them, you know we tried.

Diana, way to bump up front

This year's netters had a strong and more competitive volleyball program than they have had in the past. First-year head coach, Carol Fulton, praised the squad for having a positive attitude when not winning. "It's tough to go week after week without winning a match, but if you try your best it's just like winning," Fulton said. She feels they were a very coachable team.

Some of the players that were praised for their special accomplishments, were Julie Kyle and Penny Burgess who won "Most Improved". This year's "Most Valuable Player" was Sheryl McHargue. Cindy Gronning and Jennifer Holloway earned "Most Inspirational". Amy Jones maintained a 3.95 GPA through the season, earning her the "Special Scholastic Award."

Sheri Tyler, she'll show them how to set the play up!

Sheryl, way to go!

"OOPS!" Sheryl, the ball's going the wrong way!

CROSS
COUNTRY
DOING
GREAT!

Eight runners from our team, along with Coach Carpenter, had a great time in competition in Canton, China. Jennifer Bannon, Jeff Charlton, Brenda Donchower, Rick Gamez, Stephanie Gilliland, Julie Monek, and Rick Skinner were chosen members of the International Sports Exchange. 250 runners from the Pacific and Mid-West states also went. The trip consisted of a six day stay in Hong Kong and a three day stay in Canton, China. Moses Lake runners placed high in the race and the trip was an excellent form of communication between Chinese and American athletes.

Ricky Gamez-made it to state!

From left to right: Coach Carpenter, Jennifer Bannon, Jeff Charlton, Brenda Donchower, Rick Gamez, Stephanie Gilliland, Julie Monek, Rick Skinner, and Coach Carpenter. The runners are standing in front of a large building.

This year's Cross Country team did an outstanding job of representing Moses Lake Coached by Mr. Carpenter, and by Mr. Martin, the team really worked hard and established themselves as leaders of the Big Nine. They were able to achieve this accomplishment because they had the desire to excell and the talent to win'

Coach Carpenter, who has coached Cross Country for the past twenty years felt this year's team was unique for many reasons. Their ability to establish pride in themselves and imagine themselves as winners was special. The strength of the team came from having the #1 girl and boy in the League and having the depth to back them up. They also achieved what they had worked so hard to do, to beat Kennewick, almost Richland, and grow as a team.

GIRLS' SWIM TEAM...

Sheila Dowling, Melanie Illg, Kalli Kurty, July Sandberg, Kate Austin, Kathy Wrynn, Debbie Scooter, Heidi Staudenmaus, Stephanie Nelson, Jennifer Piper, Samantha Nelson, Tracie Leavitt, Jaci Jacobs, Cassey Neal, Kassen Rogers, Suzanne Nelson, Wendi Davis, Maria Wood, Amy Fgland, Liz Johnson, Angie Denton, and Daronna Wade

The Moses Lake girl's swim team accomplished two team goals this year: to remain undefeated and win Regionals. Coach St. Onge finds this team unique because they could swim well under pressure. Highlights of the season include Kassen Rogers, July Sanberg, and Cassey Neal. These three qualified for state, which is more people than the Chiefs have ever taken to state. Kathy Wrynn is pointed out by the coach as being the most talented, enthusiastic, and motivating leader. The Moses Lake Girl's Swim Team finished the season with a 11-0 record"

CANDIDATES

One of the most colorful and enthusiastic events of the year was the 1985 Homecoming Game. Although the Chiefs lost to Pasco, the game was full of spirit and the ceremony itself was a great success. It began with the Annual Homecoming assembly in which the candidates are brought before the student body. Following this each student voted for his or her favorite. That evening the Pasco mascot was burned in the Homecoming bonfire. Then began the serpentine lead by the band and drill team. Followed by the candidates riding in cars and the student body in the serpentine. The event climaxes during the half-time ceremony as Liz Erickson was crowned Homecoming Queen 1985

HAVE
SPRINT!

Little our

Not only do our cheerleaders have a lot of spirit, they used their spirit to do an excellent job of supporting Moses Lake High School in competition. The effort they put into cheerleading throughout the summer, fall, and winter shows how dedicated our cheerleaders are. Pep assemblies were a highlight this year. With a little help from Chris Tuohy "Old Time Rock & Roll" was a success. Advisor Karen Floyd thanks Lisa Anderson and Robin Fazende, two seniors, for adding spirit to this year's cheerleading squad.

What a nice pose, Chuck!

MASQUE & GAVEL

Masque & Gavel had a very challenging and busy year in 1985-86. They put on three plays: Bats in the Belfry, Harvey, and The Miracle Worker under two directors Miss MacDonald and Mr. Lucas. The plays went over very well and they had many new actors participating along with seasoned actors

The audience has increased throughout the year and in the performances of "The Miracle Worker" they had standing room only. They also had a new idea this year to try and increase the audience by going around and distributing coupons. The idea worked and many tickets were purchased with them

THE BATS IN THE BELFRY

Miss MacDonald and her cast put on an enjoyable comedy *The Bats in the Belfry*. The play was about a young lady who comes back home with her fiancé after being away at boarding school. She soon learns her dear, sweet, old aunts are really witches and so is she. That the imaginary Mr. Ogilby by her aunts always talked to was a warlock who had turned her into a person from a cat and then he turned invisible. Now Mr. Ogilby wants to become visible so she must be turned back into a cat. Topping it all off she finds out her fiancé has supernatural powers and can see Mr. Ogilby, the warlock.

It was a delightful comedy with superb performances by Angela Olveda, Kerri Ryan, Michele Turner, and Kristi Uhlenkott as the witches. Paul Blakes as the sometimes invisible warlock Mr. Ogilby, Jeff Miles and Rhonda Sharp as the young couple in love, Jack Allen as the Irish cop, Brice Wood as Reverend Barnaby, and Katy Warring as Miss Fairfax. Eric Van Woerb and Tamara Reidt played the groom's parents and Steve Countryman and Juliann Judkins as the friends to folk music.

Mike Clark against a 6' player

COACH THACKER COMMENTS:

The Boys' Basketball team had a record of 4-15 for the season and at first glance one may say that the team had a poor year. Although most people measure success by wins & losses, which is of course the prime indicator, but there are many other ways to measure a teams successes.

The members of this year's squad turned in some fine performances against some very talented individuals & teams. It is difficult to single out one or two players as the best because they seemed to change from game to game depending on what one uses to judge someone as the best.

Coach Thacker felt that this year's team helped set the pattern for Chief teams in the future. He saw this team grow & develop through alot of hard work. It is this dedication & attitude towards hard work which will make future Chief teams thankful for to their 1985-86 counterparts.

Coach Thacker would also like to say thank you to all those that made this season a success including the parents, players, and fans.

The 1985-86 Molahiette year was a successful one. Even though they started the year with a new advisor, things went smoothly and vast improvements were made in the system. The team was composed of 26 girls all of whom did a fantastic job! Routines were choreographed by the officers and a lot of hard work was put into them. One special highlight of the season was the annual guy/girl routine during the Basketball season. The routine was a success; the guys were great; and the audience loved it! The team competed at state this year and received an Excellent rating. Three members were chosen for All state team positions. Chaneux Karr-High Kick team, Julie Johnson Precision team & Wendy Burton Novelty team.

JEVON THOMPSON

In his lecture "IT'S OK TO SAY NO!" Jevon Thompson shares his personal experiences with drugs and some of the many experiences students have told him, and he relates his knowledge of drugs and the rock music scene. He also conveys the most recent scientific evidence, much of it only recently publicized, about the harmful effects of marijuana-and he talks about the hazards of all drug use, including alcohol.

Jevon Thompson's dramatic and humorous, yet to-the-point style, as well as his stories about the rock music scene create an instant audience rapport. Feedback from every school in which he has lectured indicates he may be the most effective speaker currently lecturing in convincing students to stay off drugs. "I listened to him because he's been through it," is the overwhelming student response to Jevon Thompson

After eight weeks of work by over thirty drama students the three-act comedy about a man and his invisible rabbit played before a near full house. Directed by Mr. Brad Lucas, the play tells the story of Elwood Dowd, played by Chad Saunders, a man whose family wants him committed to a mental institution. For he is always embarrassing them by introducing everyone to his friend Harvey; an invisible rabbit. Dowd's sister, Vetta Louise Simmons, played by Michele Turner, enlists the aid of her attorney Judge Omar Gaffney, portrayed by Jeff Miles. To get Dr. Chumley, played by Eric Van Woert to commit her brother to the institution.

SPIRIT ABOUNDS

Spirit Club Officers: Debbie Lennex, Mary Ann Galt, & Advisor Jean Christensen. Kevin Bush, Amanda Vela, and Gemelle Ashley.

The Spirit Club had a busy and exciting year promoting school pride and spirit. At the first meeting of the year about half of the school showed up to express their enthusiasm. Ending up the year with an average of 200 members shows that school pride has improved.

The group plans for the year included supporting all sports events by sitting together wearing Chief t-shirts, learning the cheers and fight songs, and an end of the year picnic. All were achieved and were alot of fun.

Basketball games proved to be alot of fun this year generating much noise and spirit. They also went to State Wrestling and supported our wrestlers to a 2nd place win. Outdoing themselves in cheering for our guys and expressing their opinions. CONGRATS SPIRIT CLUB!"

LANGUAGE CLUB

The second year of the Language Club started out with many ideas on money makers. The one decided on was to sell calender posters and prizes were given to the top sellers. The event went over well and many people are enjoying the calenders.

The club promotes interests in foreign language and the study of other cultures. They also have fun learning activities which combine French, German, and Spanish students together learning from each other about the other languages.

The national emblem of DECA is attractive, significant, and meaningful. This emblem is diamond shaped with the words "Distributive Education Clubs of America" surrounding the wrapped package, symbolic of a job well done and the close cooperation of school, parent, student, and business in preparing for a well-rounded education basic for success in a career in marketing and distribution.

The four points of the DECA emblem symbolize: (1) Vocational understanding, (2) Civic consciousness, (3) Social intelligence and (4) Leadership development.

The Distributive Education Clubs of America — otherwise known as DECA — is an organization whose program of leadership and development is designed specifically for students enrolled in Marketing and Distributive Education. DECA is the only national youth organization operating in the nation's schools to attract young people to careers in marketing and distribution. DECA is a non-profit, non-political, non-sectarian youth organization composed of voluntary members, with MDE teacher-coordinators acting as advisors. MDE students elect their own chapter officers and delegates, who have direct vote in their state association of DECA and in their national program.

GIRLS' SOFTBALL

This was a great season for the Chiefs softball team. They started out the season with many short term goals and one long term goal. That goal was to go the State tournament. They started out losing their first double hitter, then on to a winning streak, winning 12 in a row, they ended the season playing Richland, their last double hitter for the League Championship. They lost to them putting them in 2nd place in the tournament. There too they played Richland for the District #1 seat, they were defeated putting them in 2nd place, going to the State tournament. They had achieved their long term goal. For the first time in Coach Humphrey's coaching career or MHS softball history, they were sending a team to state.

TRACK

This year's track team was an exciting one. With the loss of many seniors from the year before, the team ended up being a young one. The team shows great potential for the future of track. One of the goals that the team accomplished were the boys and girls winning first place at Apple Blossom Relays.

This year was a year for breaking records. In the 800 meter, Rick Gamez ran a 1:56.5, and Vicki Melin threw a 111'2" for the javelin record. Shelli McKinney, Melinda Womack, Margie Spidell, Jennifer Bannon, and Miller together, they broke two records as a relay team, one for the 4x400 meter relay with a 4.07 record. Jennifer Bannon did the long jump with a 18'3 1/2" record plus she also ran a :56.38 to break the record for the 400 meter.

The 1986 Throwers. John Wagner-Coach, Russ Langshaw, Paul Landon, Rick Payne, Steve Howard, Monet Biltom, Javier Cavaso, Rick Raymond, Shannon Weaver, Leonard Harold, Cam Merkle, Vicki Melin, Andrea Belisle, Matt Berrett, Angie Kline, Karissa Anderson, Roxanne Martin and Karen Olsen.

BASEBALL 1986

This year's baseball team was unique in that the senior players were the first players Coach Doumit has coached throughout their high school years. They also won more games this year than they have in the past three years he has coached them. Play-offs were almost made, missed by one game, but they gained valuable experience as a team. That will be extremely beneficial next year.

John Mirelez made the All-State team this year and is the second player in three years that has made the state team. Mike Leininger was also nominated for the All-State team.

The standings for the year were 7-13 over all and 5-11 in the league. Tying them for 7th in the Big "9".

This year's golf team turned out to be one of the best years ever! Even though in the past years M.L. has been able to compete just as well as the rest of the Big "9". M.L.H.S. golfers had its outstanding players like Erin Johnsrud, Frank Flodia, and Brent Murray, but the best that came out of the golfers was being as a team. As a team they were able to win most of the games the boy's golf team came out out to a 15-9 record with a 4th place in the Big "9". For being the first year for Moses Lake to have a girl's team, their record was a 28-2 with a 1st place in the Big "9" and a 2nd place in State. Erin Johnsrud placed 3rd in the individual competition at state. For the captain's trophy Brent Murray, and Erin Johnsrud took the honors. Mike Kersey and Mike Sandmann were given Most Inspirational. And Most Dedicated was given to Craig Gronning

This was an exciting year for the Chert Tennis team as they improved their skills and played hard against their opponents. With many new recruits and many seasoned athletes, next year should be a very promising year.

This year Debbie Lennox was team captain and Rose Wu was given the Most Inspirational award. Other awards were the Coaches award given to Craig Loomer, the boy's Most Improved award given to Eric Vanwoert and the girl's Most Improved award given to Gina Syre.

1. *Staphylococcus aureus* (ATCC 12228) was grown in tryptic soy broth (TSB) (Difco) supplemented with 0.5% yeast extract (Difco) and 0.5% glucose (Difco) at 37°C. Cells were harvested at mid-log phase (OD₆₀₀ = 0.5) and washed with phosphate buffered saline (PBS) (pH 7.4) containing 0.1% bovine serum albumin (BSA) (Pierce and Warriner, 1990). Cells were then resuspended in PBS containing 0.1% BSA and 0.1% penicillin (100 U/ml), streptomycin (100 µg/ml), and nystatin (40 U/ml) (Pierce and Warriner, 1990).

This is a new day.

I have this day to use as I will

I can waste it or use it for good

What I do today is important

*because I am exchanging a day of my
life for it*

A black and white photograph of a large, dense evergreen tree, possibly a spruce or fir, standing in front of a building. The tree is the central focus, with its branches spreading out. To the left, a portion of a building with a window is visible. To the right, another part of the building is seen. The foreground is a flat, light-colored surface, likely a lawn or driveway. The sky is bright and overexposed.

*When tomorrow comes,
this day will be gone forever,
leaving something in its place that
I have traded for it.*

*I want it to be gain, not loss, —
good, not evil —
success, not failure
I shall not forget the
price I paid for it*
